Calling for speaking gigs - colleges/churches

- is there a report for tracking - YES :)

What do you want to accomplish this upcoming month

Book as many gigs as possible.

Have one at a church and want to get testimonies from that. will be speaking to seniors.

— this is good - but rarely will lead to bigger and better gigs. Good for practice and testimonials and to keep you talking about your topic in front of an audience. Always good. But now is the time to really reach out and get booked

Also break into college market, have mailings and follow up with many of them.

— sent emails - called -

- how many sent - 40
- 3. emails - 40
- 2. call - orientation/call back/LVM

June calendar is full for next year - Jan 2019 is full on for 2020 Sept 2019

- 1. follow up with post card

What do you want to earn from those activities?

I will be getting \$100 from the church and hope to earn much more from the colleges.

Colleges should pay \$1000 - provide a testimonial and a lead to next gig.

Any advice for the speaking opp I have to seniors at the church. - record it - grab content for speaker tip videos.

-

Also any suggestions you have for my assistants or me in terms of breaking into college market.

- you have to call and connect and get bookings -

My speaking opp I have next month and college speaking. Both assistants should also be on the call

Strong close -

Mary Stevenson

This past month my accomplishments have been mainly that I have been selling more packages rather than single sessions. I have one woman who has hired me to work on her dog once a week. I just heard from her and not only is her dog that had been sick doing great, so is the rest of the family. Even her husband is feeling happier!

— Fantastic can we get a testimonial

A big challenge

- I teach people about keeping their power no matter what but it is sometimes not so easy!

So my question is, how do you best cope with these personal challenges and keep going with your business consistently and effectively?

Brutal situation - I have been there.

Watch this - I do personal development courses to give me the strength against people like this -

Ups and Downs in Life - I would recommend doing this course - you may need to purchase a book - not sure how that works. I have the full book - there are booklets you can use. This technology can save your life when you are under attack.

I have found that ever since I started to do my work full-time, there have been many 'friends' who have not been very nice to me.

— THEY ARE NOT FRIENDS - DISCONNECT IMMEDIATELY

I went to a friend's house for a bit of a rest but realize I should have had her do the FB live with me as I was talking to her dogs and horses. It was a perfect opportunity. I need to get my head focused.
